Contents

How do I use the *LRN? Command with the 83752A?

The attached VEE program illustrates how to use the *LRN? command to upload the 83752 instrument state and subsequently download it back to the instrument.

Right-click on the file name and select **File > Save Target As:**

83752A_LRN.vee

If you do not have VEE installed, you may request or download an evaluation copy of the software at: **Keysight VEE Pro**
